## C O N T R A C T

BETWEEN: \_\_\_\_\_

AND THE: Garden River First Nation Education Unit

I acknowledge that I have access to the current GRFN Post-Secondary Operating Guidelines on the website or that I have received a copy either on this date or previously. I am aware that these guidelines will be strictly adhered to by this Education Unit. ***I agree to read these guidelines*** thoroughly as they outline all conditions of my post-secondary sponsorship.

Since I am receiving post-secondary sponsorship to attend school, Full-time/Part-time, during the school year, \_\_\_\_\_ - \_\_\_\_\_, ***I hereby agree to attend ALL of my classes and complete all requirements of my program (i.e. homework, assignments, tests, exams, etc.) as scheduled. As soon as they are issued, I will provide a copy of my grade reports (mid-terms and finals). I acknowledge that the preferred method is to provide access to my online student account.***

***As per section 1.5 of the GRFN PS Operating Guidelines, I am aware that a student may be placed "on probation" by the GR Education Unit for the following reasons:***

- (A) poor attendance records, and/or
- (B) if s/he has **failed TWO or more** courses on his/her final grade report, and/or
- (C) the post-secondary institution has placed the student on academic probation / warning.

Furthermore, if, at any time throughout my studies, my ***attendance is not acceptable*** (i.e. I have continuous unexcused absences with no supporting documentation such as doctor's notes and/or I have non-attendance for one or more courses and/or I have stopped attending one or more courses at any time throughout the semester/year), ***I will be discontinued immediately.***

If, for any reason, I do not start my program or voluntarily/involuntarily discontinue my program of studies at any time in the semester/school year, I agree to inform the Education Unit of my intentions and to complete an official withdrawal form at the college/university. ***If I do not complete this withdrawal form and tuition fees are charged, I will be responsible for repayment of these fees before further sponsorship would be granted.***

Failure to comply with the above terms will jeopardize any further sponsorship. I have read and fully understand the conditions of my post-secondary sponsorship.
